Registering to Vote

You may register to vote in Massachusetts if:

- You are a citizen of the United States; and
- You will be at least 18 years of age on or before the next election; and
- You are a resident of Massachusetts; and
- You are not currently incarcerated by reason of a felony conviction.

If you meet the above requirements, you may register to vote online, by mail, or in-person.

The deadline to register to vote in any election or regular town meeting is twenty (20) days prior to the date of the election or meeting. The deadline to register to vote in a special town meeting is ten (10) days prior to the special town meeting.

Registering online:

In order to register to vote online, you must have a signature on file with the Registry of Motor Vehicles. If you currently have a Massachusetts driver's license or state ID card, you may use the [online voter registration application](#) to register, update your address, or change your party affiliation. Voter registration forms submitted online must be submitted by midnight on the date of the voter registration deadline.

Registering by mail:

If you do not qualify to register to vote online, or if you would prefer to register by mail, you may download the voter registration form by using the link provided in the box to the right. The form must be completed, signed, and delivered to your [local election official](#). Voter registration forms submitted by mail must be postmarked no later than the voter registration deadline.

Registering in-person:

If you would like to register in-person, you may do so at any [local election office](#), as well as the [Elections Division](#) of the Secretary of the Commonwealth's office. Voter registration is also available as part of every transaction at the Registry of Motor Vehicles and at certain public assistance agencies. Voter registration forms completed in-person are valid as of the day that they are signed.

Changing Your Address

You must update your voter registration every time you move. If you have moved, you may update your registration by filling out a new voter registration form. If you move after the deadline to register to vote in a state election or primary, you should wait to update your registration until after the date of the election or primary, and return to vote at your previous polling place in Massachusetts. State law allows you to vote from a previous address in a state election for up to six months after you have moved, as long as you have not registered elsewhere.

Political Parties

If you wish to change your party enrollment, you may do so by filling out a new voter registration form. Members of political parties may vote only in their own party's primary elections. Unenrolled voters (commonly referred to as "Independents") and members of political designations or minor parties may vote in the party primary of their choice. Choosing to vote in a particular party's primary does NOT enroll you as a member of that party.
