

City of Peabody ~ OUTSIDE THE BOX MURAL PROJECT

OUTSIDE THE BOX: A Utility Box Mural Project (OTB)

PROJECT VISION: The City of Peabody has designed this program to support public art and to beautify the community and neighborhoods through the use of murals. The Outside the Box Project has been created to focus on community pride and enhancing visual aesthetics in the neighborhood. The primary project goal is to bring art to unexpected places.

Community Development Department has partnered with CDBG, PMLP, ArcWorks Community Art Center, Department of Public Services and the Fire Department to make this program possible. This year up to seven (7) utility boxes will be chosen to be transformed into works of art. Four (4) boxes are located in downtown (in front of the courthouse and other locations). Several other boxes are located throughout the city.

Artists may apply as an individual or as a group. For group submissions, a signed Artist Agreement for each participating artist must be included to the application form and design template.
