

**PUBLIC SOCIAL SERVICES
REQUEST FOR PROPOSALS**

**FY 2017-18
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)**

I. INTRODUCTION

The City of Peabody is soliciting proposals from community agencies, organizations and City Departments for Public Social Service projects to be funded under its **FY 2017-2018 Community Development Block Grant (CDBG)** program. The CDBG program is funded by the Federal Department of Housing and Urban Development (HUD). Through this program, HUD provides a formula entitlement grant to the city to fund projects, which aid in the development of viable urban communities by meeting one of two broad national objectives. These objectives are:

- 1) To benefit low- and moderate-income persons; or
- 2) To aid in the prevention and elimination of slums and blighted areas.

The total estimated amount of funding available to community agencies and organizations for Public Social Service projects for program year 2017-2018 is **\$58,000**. Any commitment of funds will be contingent upon the final funding amounts received. If the funds received are less than the estimated dollar amount, all funds to individual projects will be reduced by the same percentage.

II. SUBMISSION INFORMATION

For funding consideration, all projects funded through the CDBG Program must meet the General Requirements and CDBG Program Guidelines defined in Sections III and V below. Agencies and/or organizations responding to this RFP must complete the attached funding application for CDBG Public Social Services. A separate application must be submitted for each proposed project. Because funds are limited, no applicant should anticipate receiving an award of more than \$10,000.00

All applications must be submitted in the legal name of the organization. An authorized representative of the organization, who has the legal authority to enter into an agreement with the City of Peabody, must sign applications.

The signed original and **one electronic copy** (CD/Disk/Flash drive) of the application must be submitted by **12:00 pm on Friday, March 31st, 2017:**

**Attn: Stacey Bernson, Assistant Director
Department of Community Development
City of Peabody
24 Lowell Street
Peabody, MA 01960**

If City Hall is closed because of inclement weather, the application will be due no later than 12:00 p.m. on Monday, April 3rd, 2017.

Applications that are incomplete, have an inadequate number of copies, lack required attachments, or applications submitted after the published deadline will not be considered for funding. Changes and/or additions to the proposal after the submission will not be accepted.

Proposals will be reviewed and funding recommendations made. Interviews may be required of applicants. We estimate that applicants will receive notification of final award by July 31st, 2017.

III. GENERAL REQUIREMENTS

CDBG funds are subject to Federal and local regulations including, but not limited to: non-discrimination, equal opportunity, accessibility, lead-based paint, prevailing wages (construction only), audits, procurement, environmental and **24 CFR 200, which supersedes, consolidates and streamlines eight OMB Circulars (A-21, A-87, A-89, A-102, A-110, A-122 and A-133)**. Applicants are encouraged to familiarize themselves with these requirements prior to applying for funds to ensure that their organizations have adequate administrative systems in place.

C. Non-discrimination in Services and Employment

Applicants approved for CDBG Public Social Service funding shall not, in accordance with Federal law, discriminate in the provision of services hereunder because of race, color, religion, national origin, ancestry, sex, age or physical or mental handicap as identified in Section 109 of the Act, Section 504 of the Rehabilitation Act, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and 24 CFR 570.602. D. Program Reporting/Monitoring

Applicants approved for CDBG Public Social Service funding will be required to maintain and submit to the City of Peabody's Department of Community Development and Planning adequate information necessary to monitor program accountability and progress in accordance with City of Peabody, Community Development Block Grant Program and HUD regulations.

CDBG Public Social Service funds may be awarded to religious-based organizations performing public social service activities, provided certain contractual provisions are included in the CDBG Operating Agreement between the City and the religious entity. The grant agreement must include contract conditions stating that: the social services provided are exclusively non-religious in nature and scope; there are no religious services, proselytizing, instruction, or any other religious influences in connection with the social services.

V. CDBG PROGRAM GUIDELINES

Eligibility criteria and requirements for documentation of eligibility for program activities are described below. Each organization receiving CDBG Public Social Service funds must spend all the grant amounts it was allocated by July 31st, 2018.

PUBLIC SOCIAL SERVICES

A. Eligibility Criteria

To be eligible as a public social service, the following criteria must be met: 1) at least 60% of those persons benefiting from the service must be low- and moderate-income; 2) at least 60% of those persons benefiting from the service must be Peabody residents; and, 3) for new programs, the activity must be a new service or a quantifiable increase in the level of an existing service. Public social services are direct services provided to community residents such as, but not limited to: employment, case management, crime prevention, child care, health, drug abuse, education, recreation, counseling, and beautification activities. CDBG funds are intended to be used to fund services or levels of service that are not currently

provided by existing public agencies, organizations and/or City Departments with other funding sources.

B. Requirements for Documentation of Eligibility

Applicants approved for funding in the Public Social Services category must document that at least 60% of persons served are low- and moderate-income persons, and that at least 60% of persons served are Peabody residents. Acceptable forms of documentation are:

1. Participant application or registration forms which include name, address, income, household type, ethnicity, racial background, and signature of participant; or,
2. Location and description of service area boundaries, demonstrating that the project's service area is within a low- and moderate-income block source area where not less than 51% of the residents are persons of low- and moderate-income (See Census Tract Map, page 7). Location of an activity in a low-income area does not conclusively demonstrate that an activity benefits low- and moderate-income persons or Peabody residents. Hence, where applicable, records of addresses of persons utilizing the facility will be required as documentation of benefit to low- and moderate-income persons and Peabody residents.

VI. CDBG PROGRAM PRIORITIES

Program priorities for the 2017-2018 CDBG Program will be derived from the City of Peabody's 2015-2020 Consolidated Plan. All eligible proposals will be given consideration. Some examples of projects that could be funded include, but are not limited to the following:
