

Sec. 28-47. - Applicability.

- (a) This article shall apply to flows entering municipally owned storm drainage systems and all city watercourses.
- (b) No person may undertake a construction activity, including clearing, grading and excavation that results in a land disturbance that will disturb equal to or greater than one acre of land or will disturb less than one acre of land but is part of a larger common plan of development or sale that will ultimately disturb equal to or greater than one acre of land draining to the City of Peabody's municipal separate storm sewer system without a permit from the committee.
