2017 Fall Curbside Yard Waste Collection Dates Announced *Mayor Bettencourt Schedules Extra Collection Week*

Mayor Edward A. Bettencourt, Jr. has scheduled the dates for Fall curbside leaf collection.

Curbside pick-up of leaves and yard waste is scheduled for the weeks of October 16, October 30, November 13, November 27, and December 4th.

“Last Fall we had four collection dates,” said Mayor Bettencourt. “After hearing from many residents however, I decided to add a fifth week this year.”

During these designated weeks, residents may leave their leaf and yard waste curbside in paper bags or barrels on their normal trash pickup day. No yard waste in plastic bags will be accepted. Residents should note that haulers may pick up regular trash first and return later in the day for yard waste. There is no charge for curbside leaf collection.

Residents should also note they can take yard waste to the Department of Public Services, 50 Farm Avenue any weekday during regular business hours. The Department of Public Services is open Monday through Friday from 7:00 a.m. to 4:00 p.m.
