Peabody Permitting Now Online

Mayor Edward A. Bettencourt, Jr. is pleased to announce that the City of Peabody now offers online processing of building, electrical, gas, plumbing and mechanical permits.

Applicants can apply for permits online, pay their fees online, track their application status online and request inspections online. Applicants can also pay outstanding balances even after their initial application is submitted.

"Online permitting is an innovation whose time has come in Peabody," Mayor Bettencourt said. "Residents, contractors and business owners deserve the latest technology at their fingertips so they can spend more time on their project and less time at City Hall."

To access the online permitting portal, applicants can visit, <http://www.peabody-ma.gov/inspectors.html>.
