REPORTS OF COMMITTEE

INDUSTRIAL & COMMUNITY DEVELOPMENT COMMITTEE **SEPTEMBER 24, 2015**

P690-15 COUNCILLOR GOULD – Reporting for the Industrial & Community Development Committee - We had a full agenda tonight; first was the proposed Zoning Map amendment for 271 Newbury Street to change from MH to BR. That was left in Committee and we've asked Community Development to review the minutes and come up with some history on that for us. Next we had discussion about the ordinance to amend the City Code about the demolition delay ordinance and it was quite an interesting and thoughtful meeting led by a number of folks from the Historical Society, Historical Commission, and Community Preservation Committee, anybody that's out looking at preserving the good history of the city of Peabody. Dr. Judy Otto put together a very in-depth letter that brought about a number of items for discussion. We did have members of the public speak and it was very informative. Councillor McGinn made the following motion. (Report received)

P691-15 COUNCILLOR GOULD – Reporting for the Industrial & Community Development Committee - BE IT ORDAINED by the City Council of the City of Peabody that the following ordinance amendment to Section 7-19 of the City Code entitled Demolition Delay Ordinance be advertised as read:

SECTION ONE: The Code of the City of Peabody as adopted on January 9, 1986, and amended, is hereby further amended as follows:

That Section 7-19 entitled "Demolition Delay Ordinance" of the Code of the City of Peabody, Massachusetts, is hereby amended by adding the following new language:

Amend 7-19 (1) By inserting the following language into said section: By inserting after the date October 12, 1998, language to read "and as updated from time to time by the Peabody Historical Commission."

Amend 7-19 (2) By inserting the following language at the beginning of said section: An applicant wishing to demolish any building on the list in paragraph (1) shall submit a request in writing to the Historical Commission. Such request shall include the address of the property, the name and address of the property owner, the assessors map and lot number, and the contact information for the person authorized to make application for a demolition permit.

Amend 7-19 (4) By inserting the following language at the end of said section: Such recommendation shall be valid for a period of two years, after which time resubmission shall be made if the permit for demolition has not been exercised.

Amend Section 7-19 (2), (3), and (4) By striking out 90-day period and inserting in place there 365-day period.

SECTION TWO: All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

SECTION THREE: This ordinance shall take effect as provided by law.
(Carried 9-0; Councillor Osborne and Councillor Sinewitz absent)

P692-15 COUNCILLOR GOULD – Reporting for the Industrial & Community Development Committee – The next item was a discussion about the billboard moratorium and we decided to extend that two years after the expiration date of May 22nd of 2016 and that passed unanimously. (Report received)

(Unanimous)

P694-15 COUNCILLOR GOULD – Reporting for the Industrial & Community Development Committee – The last item was continued discussion of renting of rooms.
