INDUSTRIAL & COMMUNITY DEVELOPMENT COMMITTEE

DECEMBER 3, 2015

P910-15 COUNCILLOR GOULD – Reporting for the Industrial & Community Development Committee – The Industrial & Community Development Committee met on December 3rd and in attendance was myself, Councillor Garabedian, Councillor McGinn, Councillor Manning-Martin, and Councillor Driscoll. Our purpose was to further review the proposed Zoning Map amendment request from Norland Associates, 199 Rosewood Drive, regarding property at 274 Newbury Street. Norland is requesting that the zoning designation be changed from MH to BR. The Committee requested a legal opinion on October 8th asking the City Solicitor to review the MH zoning designation and make a recommendation as to whether or not a zoning amendment would be required. The question at that time was whether or

not, due to previous litigation in 1999, if this parcel would have been part of a lawsuit settlement re-designating certain parcels from MH to BR. The legal opinion from the City Solicitor was received by the Committee on December 3rd. The opinion was that a zoning amendment would be required to change said parcel from MH to BR and that this parcel was not part of a 1999 settlement. The following motion was made by Councillor Driscoll. (Report received)
