(CAPTAIN DALE KIMBALL APPEARED BEFORE THE CITY COUNCIL TO SPEAK ABOUT THE FIRE AND POLICE MEMORIAL.)

**HEARINGS**

No hearings.

**REPORTS OF COMMITTEE**

**MUNICIPAL SAFETY COMMITTEE**  
**FEBRUARY 21, 2013**

P135-13 COUNCILLOR GARABEDIAN – Reporting for the Municipal Safety Committee – The Municipal Safety Committee met on Thursday, February 21st to discuss the request from St. Adelaide's Church to have a pedestrian crossing signal installed on Lowell Street right in front of the church. Committee members that were in attendance were Councillor Gravel, Councillor Sinewitz, Councillor Driscoll, and Councillor Gould. Also in attendance were Councillor Manning-Martin and Councillor Athas. Appearing for the city was Captain John DeRosa, police department; Mr. Will Paulitz, city engineer; Mr. Jim Nichols, Public Services Department; and Mr. Joe DeSilva, Peabody fire alarm. Several neighbors spoke in favor of the request. There was a petition submitted of about 1,000 signatures that we all witnessed. Items discussed during the meeting were issues involving speed limit and possibly asking to reduce the speed limit in that area. The cost associated with installing a pedestrian crossing light was around \$90,000. Police radar enforcement and for help with crosswalk crossings for Sunday services. A design consultant would need to be hired for a study, which would include a push-button regular signal, traffic and pedestrian crossing warrants would be issued in accordance with the manual on traffic control devices. The following motions were made. (Report received)

P136-13 COUNCILLOR GARABEDIAN –Reporting for the Municipal Safety Committee - MOVE TO request that the Public Services Department move forward on a traffic study for a pedestrian crossing signal and to expedite the matter as soon as possible. (Unanimous)

P137-13 COUNCILLOR GARABEDIAN – Reporting for the Municipal Safety Committee - MOVE TO request Public Services Department install and upgrade the crosswalk sign westbound on Lowell Street at St. Adelaide's Church to the current green fluorescent signs. (Unanimous)

P138-13 COUNCILLOR GARABEDIAN – Reporting for the Municipal Safety Committee - MOVE TO request that the Public Services Department and Police Department conduct a special speed study in an effort to reduce the speed limit on Lowell Street in the vicinity of St. Adelaide's Church from 30 to 25 miles per hour and to submit the proper data and request to the Mass. Department of Transportation at District 4. (Unanimous)

P139-13 COUNCILLOR GARABEDIAN – Reporting for the Municipal Safety Committee - MOVE TO request that the City place on its Web page the penalties for crosswalk violations. (Unanimous)

**LEGAL AFFAIRS COMMITTEE**  
**FEBRUARY 28, 2013**

P140-13 COUNCILLOR MANNING-MARTIN – Reporting for the Legal Affairs Committee – The Legal Affairs Committee met prior to this meeting; in attendance, including myself, were members Councillor Garabedian, Councillor Driscoll sat in for Councillor Mello, Councillor Gamache sat in for Councillor Osborne, and Councillor Gould sitting in for Councillor Sinewitz. We had several items on the agenda. The first of which was a proposed ordinance establishing rules and regulations relating to the planting, maintenance and removal of trees in the city of Peabody and I'll tell you that was quite an education. The director of Parks & Recreation Jennifer Pinkham Davis joined us and gave us an education on this matter and she had devised an ordinance that was based on one from Marblehead. In a nutshell what we learned was that if a citizen wishes to remove a city-owned tree, then the city has to go out, check out the tree. If it is a healthy tree, we will not remove it if someone comes and doesn't want the tree removed. If someone from the public comes and speaks out against removing that tree, we will not remove it. If no one shows up, we have to remove it and that was an education to me. So basically it could be a healthy tree that we are removing, so that is what she was trying to address. What was also interesting was that sometimes the trees can be so large that it could cost upwards of \$8,000 to remove the tree. So not only would we be removing a healthy tree, but it would be costing us a lot of money. So I commend her for bringing this forward to us. The ordinance did need a little tweaking after some discussion. A motion was made by Councillor Gamache. (Report received)

P141-13 COUNCILLOR MANNING-MARTIN – Reporting for the Legal Affairs Committee - MOVE TO receive the revised shade tree ordinance and to hold in Committee pending review. (Unanimous)

P142-13 COUNCILLOR MANNING-MARTIN – Reporting for the Legal Affairs Committee - Next, there was another ordinance proposed establishing rules and regulations relating to the maintenance and protection of the city's storm water systems and the following two motions came out of the subcommittee. (Report received)

P143-13 COUNCILLOR MANNING-MARTIN – Reporting for the Legal Affairs Committee - MOVE TO receive the proposed draft ordinance establishing rules and regulations relating to the maintenance and protection of the city's storm water systems and to hold in Committee pending receipt of the revised ordinance. (Unanimous)

P144-13 COUNCILLOR MANNING-MARTIN – Reporting for the Legal Affairs Committee - MOVE TO request that the Public Services Department revise the draft ordinance to give the City the ability to fine a person that illegally clears a one-acre parcel with a cease and desist order to be issued and a \$300 per day fine be implemented and continued until the Director of Public Service Department approves a plan. (Unanimous)

P145-13 COUNCILLOR MANNING-MARTIN – Reporting for the Legal Affairs Committee - Item C on the agenda was a request to purchase city-owned land, Assessors Map 39, Parcel 23, which is Zero Willowdale Avenue. This item was held in committee until the application is completed and properly brought before us. It was not ready to be brought before us, so we held that matter in committee. (Report received)

P146-13 COUNCILLOR MANNING-MARTIN – Reporting for the Legal Affairs Committee - The last item was a proposal that any motor vehicle from any state displaying any variety or type of veterans license plate be allowed to park in any city parking meter free of charge. That item was brought to us, as all the councillors are aware, by a letter we received from a resident of Peabody, Daniel Heafey, who is a veteran himself. He thought it would be a good idea in honoring the veterans with this privilege. He came to speak to us this evening and we thank him both for his service and his suggestions to make the city a better place. Captain Berardino came and addressed the idea on behalf of the Police Department. We also know that Mayor Bettencourt has been moving in this direction as well with his veterans breakfast day that he held this year. I know that he had given out free parking to World War II veterans this year. So it's definitely something that is warmly received. Again we thank Mr. Heafey for presenting it. What we suggested, upon advice from Captain Berardino, is that the Community

Development Department, the Police Department and Mr. Heafey get together and kick around this idea further with the Main Street reconfiguration and to come back to us with a recommendation, in order to address this recommendation from Mr. Heafey. From this Committee the following motion was made. (Report received)

P147-13 COUNCILLOR MANNING-MARTIN – Reporting for the Legal Affairs Committee - MOVE TO request that Captain Berardino, Karen Sawyer and Mr. Heafey develop an ordinance, which would allow those with veterans plates to park free at metered parking spaces and report back to the city with their findings. (Unanimous)

### **MOTIONS, ORDERS & RESOLUTIONS**
