*Since 1935*

Greetings!

Welcome to Peabody. As Mayor, I am proud to share some of the many things which make our community special. We have a wide variety of recreational activities available to all our residents. Brooksby Farm is a city-owned apple orchard that provides year-round family enjoyment and a scenic backdrop for autumn apple picking, winter cross-

country skiing, and summer berry picking. The Peabody Independence Greenway and South Peabody Trail Network provide over 5 miles of open space for walking, jogging, biking and other outdoor activities.

Peabody features 20 parks and playgrounds, three branch libraries, and a senior center considered the envy of the region. Peabody is also home to the George Peabody House Museum and Peabody Leather Workers Museum, the Leather City Common, the McVann-O'Keefe Skating Rink and the Meadow at Peabody Golf Course.

Peabody pride is on display each year at the International Festival, which celebrates our rich ethnic diversity. Other programs available to residents throughout the year include the Summer Concert Series, Farmer's Market, Small Business Saturday, Downtown Stroll and Annual Tree Lighting and our spectacular Holiday Concert.

The Northshore Mall offers its guests an upscale shopping atmosphere with a wide variety of 120 specialty stores. The Mall's newest addition, the "Promenade at Northshore Mall" boasts several outstanding restaurants, including Bancroft &

Co., Tony C's Sports Bar and Grill, and the newly refashioned Legal Sea Foods. The Promenade will also feature an outdoor entertainment and recreation plaza and a host of amenities designed with today's shoppers in mind.

With our premium location and the nexus of Route 128, Interstate 95 and U.S. Route 1, Peabody provides easy access for employers and employees. We are proud to be home to Centennial Park - one of the North Shore's premier business parks and global headquarters of world-class organizations such as Analog, Weston & Sampson and Boston Children's at Peabody.

We are also proud to have a dedicated and innovative Main Streets Program that works to cultivate a downtown that is a desirable place to live, an enjoyable place to visit and a supportive place to build a profitable business. Our partnership with Main Streets - powered by community volunteers, business leaders, city officials, and creative entrepreneurs - is vital to Peabody's standing as the North Shore's economic hub.

It is with great Peabody Pride that I welcome you to our City and invite you to embrace the warmth, energy, and spirit that our community has to offer.

Best wishes,

Edward A. Bettencourt, Jr.  
Mayor, City of Peabody

Demographics, Location and History

Peabody is located in the North Shore region of Massachusetts, just 15 miles northeast of Boston and 18 miles west-southwest of Gloucester with its northwestern border running along the Ipswich River. Peabody has a land area of nearly 17 square miles and a population of approximately 51,000. Peabody is a city that has great access with four major highways (Interstate 95, MA Route 128, US Route 1 and MA Route 114), Boston's Logan International Airport and a thriving public transportation system all at its doorstep. On a daily basis, 27,000 cars run through its Downtown.

Settled in 1626 as part of Salem, Peabody was incorporated as a city in 1916, its name deriving from noted philanthropist and citizen, George Peabody. Like many other New England towns and cities, Peabody began as a farming community, but its rivers and streams soon attracted mills. Peabody became a major center of New England's leather industry and remained so well into the second half of the twentieth century making it known locally as "Tanner City." Despite the fact that the eventual loss of the leather industry to the economic base of the City was difficult, Peabody recovered and grew quickly due to its diversification in other businesses.

## A GREAT PLACE TO WORK

A vital downtown, convenient access and numerous resources and incentives all combine together to successfully attract and retain businesses. Major industries include technology, healthcare and financial services. There are three major geographical areas of businesses in Peabody: Centennial Park, the Northshore Mall and Downtown.

### Centennial Park

The North Shore's premier business park, Centennial Park is where first-class office users work side by side with R&D, technology, manufacturing and healthcare professionals. Developed by the Peabody Community Development Authority in the mid 1980s, Centennial Park has a pastoral campus setting; a priority of the developers. Open spaces and wooded areas are throughout resulting in a green and spacious park. This 307-acre business park has unbeatable highway access. [www.peabodyworks.com](http://www.peabodyworks.com)

### Rousselot Gelatine

Founded in France in 1891 by Edouard Rousselot, today, this company offers the widest range of gelatins available including collagen. Operating as a subsidiary of Darling Ingredients, Rousselot Gelatine focuses on providing quality products and services to processing industries around the world.

## Incentives

**Brownfields Cleanup Revolving Loan Fund Program** grants support revitalization efforts by funding environmental assessment, cleanup and job training activities. Thousands of properties have been assessed and cleaned up through the Brownfields Program.

[www.epa.gov](http://www.epa.gov)

## Community Development Authority (CDA) Business Loan Program

The City of Peabody's proactive approach to economic development resulted in the establishment of a revolving loan pool of funds the purpose of which is to encourage the creation/retention of quality jobs and to increase the tax base.

The CDA is able to provide low-interest loans to be used to help bridge the gap between the cash and assets of a business owner and the equity requirements needed to obtain a commercial loan from a bank.

## Façade and Signage Improvement Program

Program provides loans up to \$10,000 for the funding of well-designed improvements to property owners or businesses wishing to restore or renovate their exterior signage, lighting or commercial building facades.
