

2020 Household Hazardous Waste Events

Due to the COVID-19 pandemic, the City of Peabody has had to cancel its Household Hazardous Waste Collection event for 2020. We apologize for the inconvenience.

The list below shows one day collection events scheduled in other communities that may allow participation by non-residents. You should contact the town hall in the community you are interested in to confirm that the event will proceed as scheduled, and to see what restrictions and costs are in place for out-of-town participants.

We look forward to seeing you at our next scheduled collection in 2021!

Thank you for your understanding.

Community	Event Date
Beverly	Cancelled
Boxford
