## CoVID-19 Orders and Precautions

Per order of Massachusetts Governor Charles Baker, all persons are to stay at home unless providing for essential needs. It is **prohibited** to congregate as a group of 10 persons or more. However, we recommend that individuals **DO NOT congregate with anyone outside of their own household.** If you must gather with other people, you must remain **6 feet apart** and limit your interactions to less than **10 minutes.**

There have been reports of gatherings at this complex. These gatherings put your health at risk, as well as the health of your neighbors.

**All residents and guests must adhere to these orders and restrictions during a Public Health Pandemic as per M.G.L. Chapter 40, s.21D**

**Please do your part to protect yourself and your neighbors during this challenging time!**

This is a reminder from Mayor Edward Bettencourt, the Peabody Health Department and the Peabody Police Department
