matters with ease

LawAssure™

When employees face legal issues, getting help from high-quality attorneys can be expensive. Thanks to Colonial Life's partnership with LawAssure™, you can offer legal resources for your employees – at no direct cost to you or them.

Our service solution

LawAssure is an online resource designed to provide your employees with access to legal services. For over 20 years, consumers and businesses have used these services to make their lives easier. This powerful resource has prepared more than 5 million legal documents.

Employees who participate in a 1-to-1 benefits counseling session will receive more information on how to create a LawAssure account, which they can access at no cost for one year. Once employees log in, LawAssure's intuitive design makes it easy to navigate:

- **Select service** – Your employees start by choosing the legal service they need.
- **Create document** – By simply answering a series of questions, your employees will have a document automatically tailored to their individual circumstances.
- **Share and print** – During document preparation, your employees can securely collaborate with another person, such as a relative or advisor. Once they're done, they can export it for printing and signature.
