*Dual Use items and services are those that can be used for general health as well as to treat an illness or physical defect. If the item/service is prescribed to treat an illness or physical defect, a Physician Statement form needs to be submitted to Benefit Strategies for it to be HSA eligible. This form can be found on benstrat.com, or by contacting our Consumer Relations team. Dual Use items/services will not work with the Benefit Strategies Debit card. You will need to pay with your own funds and you can request an HSA distribution to pay yourself back. This can be done via the portal, mobile app or submitting an HSA Distribution form. Remember to maintain the Physician Statement and your purchase documentation with your tax records.
