

ALL Veterans who are already enrolled in the VA healthcare system **and their spouses** may immediately schedule their vaccination appointment by calling the Bedford VA at 781-687-4000.

For veterans who are not presently enrolled in the VA healthcare system, please complete and sign VA Form 1010EZ available on our Veteran's Department webpage. Next, attach a copy of your DD-214 military discharge paper. Then mail your 1010EZ with DD-214 to city hall or place them into a sealed envelope and put them through the mail slot at the side entrance to city hall. I will review all applications submitted to my office and call veterans to explain their eligibility.

Please note that certain veterans automatically qualify for VA healthcare regardless of their income level including:

- Veterans who served in Vietnam
- Veterans who served on active duty for at least 30 days at Camp Lejeune between August 1953 and December 1987
- Veterans who received a Purple Heart and
- Veterans with a 10% or greater service connected disability
